KANSAS STATE UNIVERSITY | College of Business Administration

2018 Application for Admission into Management Information Systems Program

The MIS program at K-State requires a two-year sequence of courses taken during your Junior and Senior years. The courses are offered once a year in lock-step fashion. You will be assigned a cohort of peers and have access to the MIS Studios and other technology resources during this time. Missing or failing a course in the sequence may result in extending your program by up to a year. Take completed forms to the Management Office in Room 3091 in the Business Building or email to Dr. Mike Chilton (mchilton@ksu.edu). Deadline for applications: August 3, 2018 at 4:30 PM.

Name _____

Email_____ **Wildcat ID** _____

Current Classification (e.g. Fresh, Soph, Junior, Senior)_____

Completed Number of Credit Hours _____ **Current GPA** _____

Expected Graduation Date (Month and Year) _____

_____

☐ BAPP

☐ Transfer from CBA Program (Enter Program Name in box below)

☐ Transfer from Other K-State Major (Enter Major Name in box below)

☐ Adding MIS as Double Major (Enter Major Name in box below)

☐ Transfer from K-State CIS Program

☐ Transfer from 2-year College (Enter College Name in box below)

☐ Transfer from 4-year University (Enter University Name in box below)

☐ Joint JCCC Health Info Systems / K-State MIS Program

Why Do You Want to Become an MIS Major (Required)?

Summarize Significant Work Experience, Technical Skills, or Classes Related to MIS (This is not required but helps us understand the incoming cohort better):

Any Student Organizations to which You Belong:

I understand that being accepted into the MIS Major primarily is contingent upon: 1) completing MIS 366 or MANGT 366 prior to the Fall semester entering the MIS Program; 2) Completion of 45 credits; and, 3) Having a minimum 2.5 G.P.A. Other factors will be considered to ensure the creation of a diverse cohort.
