## Tips for Academic Planning and Enrollment

- Complete GENBA 110 and 166 within your first year
- Complete MATH 205 before your second year
- Make sure you complete at least one quantitative course (ACCTG, ECON, STAT, MATH) every semester
- Make sure you monitor your grades and consult with your Academic Advisor about retakes as needed
- Balance your course load with a mix of different courses
- Use the course catalog online to look up course descriptions
- Use DARS to verify and track progress towards graduation
- Use the curriculum worksheets and other resources on the CBA website as a guide for prerequisite information and suggested classes each semester
- Take classes towards your intended major as early as possible
- Utilize resources on CBA website:
  - Student Success Guide
  - Student Curriculum Worksheets
  - Electives/K-State 8
  - Thematic Sequence
