GET TO KNOW YOUR RESOURCES

ACADEMIC ADVISORS are here to assist you with academic planning and all aspects of your college career.

- Meet with you at least once a semester to plan your schedule and discuss academic programs
- Refer you to offices and resources on campus that match your interests and needs
- Help you to stay on track to be successful at K-State and beyond

ADVISING ASSISTANTS are here to provide tips for enrollment and information about scheduling of courses.

- Answer basic questions about each business program's requirements
- Help draft long range plan
- Explain how to use K SIS and DARS for academic planning
- Share information about college activities and student clubs

CAREER DEVELOPMENT TEAM MEMBERS are here to provide world-class training, resources, and experiences to enhance career readiness.

- Facilitate Professional Advantage Certification and other professional development workshops
- Connect you with Executive Mentors and other alumni for networking and career insights
- Guide you down your chosen career path by leveraging our Career Coaches' extensive industry experience
- Provide opportunities to interact with Corporate Partners

PEER MENTORS are here to serve as guides for new students in their first semester.

- Help you find campus and college resources
- Identify opportunities to get involved in co-curricular and extra-curricular activities
- Share their knowledge and experience to help you make a smooth transition to K-State

FACULTY are here to teach your courses, provide assistance with course materials, and to help with industry-related questions.

- Available during office hours to discuss course-related topics and their professional field and industry experience.
- Provide instruction and assistance with course materials
- Advise student clubs and organizations

ACADEMIC TUTORS are here to explain course concepts that you are struggling with and provide academic support outside the classroom.

- College of Business tutors can help with most introductory business courses
- University tutoring can help with courses taught across the campus
