

Don't forget to Thank Your Donor!

Please return your handwritten letter to
.....

Letter Guidelines:

- Letters should be one page in length.
- Check spelling and grammar!
- Address the letter to the donor, whose name should have been provided to you. If you do not know the name of your donor, please ask your college or department! Do not assume that it is the same as the scholarship title (especially if it is a memorial fund).
- If the names of your donors are joined by "and" you can assume that they are within the same household and will only need one letter. For example, Marshall and Lily will receive one letter. Robin, Ted, Barney will need three separate letters addressed individually.
- DO NOT include the \$ amount of your scholarship in the letter. Thank your donor for their support, not their money.
- Please make your letter relevant to your K-State experience.
