## EDUCATION

---

### Bachelor of Science, Kinesiology & Integrative Physiology

Kansas State University | Manhattan, KS

Expected Graduation: Spring 2025

- Cumulative GPA: 4.0/4.0

## WORK EXPERIENCE

---

### Ignite Your Game

Coach

Dec 2019 – Present

- Led and mentored over 400 young athletes in comprehensive speed and agility programs every summer
- Orchestrated multiple daily classes making a profound impact on the development of numerous young athletes
- Adapted to athletes' unique circumstances and injuries while maintaining open and effective communication with parents
- Worked to improve sprint speed, running technique, lateral quickness, vertical jump, and core strength

### Mercury Medical Group - Smith+Nephew

Shadow Work

July 2023 - Aug 2023

- Had the opportunity to work closely with the Director of Operations, acquiring valuable insights into the field of medical devices
- Observed the functionality of various devices and absorbed knowledge from multiple sales representatives in the group
- Gained a deep understanding of the processes involved with the movement, storage, cataloging, and distribution of devices
- Acquired in-depth knowledge about sales territories, including the range of health centers it covers

## LEADERSHIP & ACTIVITIES

---

### Sigma Alpha Epsilon – Vice President

May 2022 – Jan 2023

- Effectively oversaw a leading fraternity comprising more than 100 members
- Directed the House Judicial Board and governed internal affairs, deploying strategic initiatives to establish member goodwill
- Oversaw house officers, promoting accountability through weekly meetings with the executive team
- Collaborated with our alumni housing corporation to provide updates on the chapter's progress and development on a weekly basis

### Department of Kinesiology- Ambassador

Aug 2023 – Present

- Engage with prospective students, delivering comprehensive information about the major and curriculum
- Contribute to the organization through participation in departmental events and functions each month
- Engage with and offer support to fellow kinesiology students, while also serving the role of a peer mentor for newcomers in kinesiology
- Offer valuable feedback to supervisors regarding the kinesiology program experience while actively engaging with faculty and staff

### Purple Cat Buddies – Adult Mentor

Mar 2022 - Present

- Create lifelong friendships with individuals with developmental disabilities through dedicated service and engaging projects
- Assume the role of a companion for an individual at Big Lakes, regularly arranging monthly outings and activities with them

### Alpha Epsilon Delta - Member

Mar 2023 - Present

- Stand as a national pre-health health honor society, committed to promoting and acknowledging excellence in preprofessional health scholarship
- Facilitate a platform for students with shared interests, while also providing service aimed at enhancing the well-being of the university

### Catholic Charities of Northeast Kansas - Volunteer (Turn Styles Thrift)

May 2023 – Aug 2023

- Worked on a weekly basis and undertook the responsibilities of organizing, labeling, and placing donated items on the sales floor
- Money raised goes to help other programs in CCNK like emergency assistance centers, hospice, and adoption services

## HONORS & AWARDS
