## WORK EXPERIENCE

### Barista

Joyce and Joes Cornerstone Cafe | Kansas State University | Manhattan, KS

May 2024 - Present

Skilled in preparing a wide range of coffee beverages, handling cash transactions, and maintaining a clean and organized workspace. Continuously developing strong communication and teamwork skills in a fast-paced environment while delivering excellent customer service to students and faculty.

### Caterer

HCI Catering | Manhattan, KS

February 2024 - Present

Oversees all logistical aspects, from venue selection to staffing, ensuring seamless execution. On-site, supervise event operations, guaranteeing exceptional service delivery and resolving any issues promptly to exceed client expectations.

### Carhop

June 2023 - January 2024

Sonic Drive-In | Platte City, MO

Delivered friendly and efficient service to customers by taking orders, delivering food to vehicles, and ensuring accurate and timely transactions at the drive-in or drive-thru, while maintaining cleanliness and organization in the restaurant's outdoor dining area and adhering to food safety standards.

### Nanny

May 2021 - August 2024

Restrepo Family | Platte City, MO

Provides personalized and attentive childcare services to the children, ensuring their safety, well-being, and development through engaging activities, athletic assistance, and transportation, while maintaining open communication with parents to support their family's needs and preferences.

### Farm Hand

May 2020 - August 2023

Irish Hills Farm | Platte City, MO

Provided support in various agricultural tasks such as harvesting, and livestock care, demonstrating proficiency in farm equipment operation, maintenance, and general farm maintenance to ensure efficient farm operations and contribute to successful agricultural production.

## INVOLVEMENT

### Women in Business Member

Women in Business | Kansas State University

I participate in activities and events aimed at promoting and supporting women's advancement in the business world. Responsibilities included networking with professionals, attending workshops and seminars, and collaborating with peers to foster personal and professional growth. September 2023 - Present

### College of Business Ambassador

College of Business Ambassadors | Kansas State University

I am a friendly face for the College of Business. I assist with recruiting new students, sharing info about the college through giving tours and joining in on-campus events. I also make sure current students feel supported and connected through a mentor-style connection. September 2023 - Present

### Silver Key Sophomore Honorary Member

Silver Key Sophomore Honorary | Kansas State University

I am actively involved in various service-based events and activities. As a member, my responsibilities include planning, attending, and facilitating service events in and around the Manhattan, Kansas community with a variety of demographics as well as regularly attending meetings to discuss happenings within the organization. March 2024 - Present

### Band Management

Return to Madness | Kansas City, MO

I currently manage a local punk band, Return to Madness, overseeing all aspects of band operations. Responsibilities include running social media accounts, booking gigs and studio time, creating promotional materials and merchandise, coordinating concerts, and managing finances. Skilled in promotion, event coordination, and financial oversight to ensure smooth and successful performances and engagements. March 2024 - Present
