Experience

Intern

Integrity Healthcare Solutions and Ultrasound First

Creve Coeur, MO

May-August 2023

- Gained valuable insights by shadowing medical sales representatives during high-stakes meetings, learning effective sales strategies and client engagement techniques.
- Enhanced front-office operations by assisting with administrative tasks, improving overall communication, and organizational skills.
- Observed patient visits closely to understand the functionality of medical equipment and its direct impact on patient care, thus gaining hands-on experience in the healthcare industry.

Sales and Marketing Guide

Saint Louis, MO

January-May 2023

Saint Louis County Police Department

- Assisted in creating comprehensive public relations materials to effectively promote department events, significantly increasing community engagement.
- Participated in strategic planning meetings to learn and contribute to event strategies and logistics, ensuring smooth and successful operations.
- Identified and meticulously organized potential donors, streamlining the sponsorship process for events and enhancing funding opportunities.
- Supported event preparation and coordination, playing a crucial role in the successful execution of various departmental events.

Accomplishments

- Kansas State Sales Ambassador
- National Strategic Selling Institution
- Medical Sales Scholars
- Lockton Sales Competition

Volunteering

Volunteer, Feed My People Food Pantry

- Assisted in organizing and distributing food to individuals and families in need, contributing to community support initiatives.
- Maintained a clean and efficient pantry environment to ensure a positive experience for those served.

Volunteer, Queen of All Saints Church

- Proactively supported event preparation by setting up venues and efficiently coordinating logistics, enhancing event success.
- Distributed hygiene products to community members, demonstrating commitment to improving public health and well-being.
- Played a crucial role in the success of parish events through diligent organizational and hands-on assistance.
