Checklist:

- Complete GENBA 110 and 166 within your first year
- Complete MATH 205 before your second year
- Complete at least one quantitative course (ACCTG, ECON, STAT, MATH) every semester
- Use DARS to verify and track progress towards graduation
- Use the course catalog online to look up course descriptions

Tips/Keep in Mind

- Balance your course load with a mix of different courses
- Take classes towards your intended major as early as possible
- Utilize resources on CBA website:
 - Major/Curriculum Worksheets
 - K-State 8 Worksheet
 - Economics Worksheet
