\* This handout is for informational purposes only. Course options and offerings change over time. Economic electives must be selected from economics course offerings at the 510-level and may not be used to overlap with major elective requirements or unrestricted electives. Please consult the KSU Undergraduate Catalog on K-State’s website, check your DARS, and visit with your advisor in the Student Success Center (1001 Business Building) to ensure that your course selection meets applicable requirements.
